Welcome to the 2020-2021 Skating Season! Although this year may look different, we are happy to be back at the rink and confident that our skaters will enjoy their time on the ice!

We would like to inform you of the new rules and regulations as set in place by the City of Warman for this facility, as dictated by the Government of Saskatchewan's Re-Open Saskatchewan Plan.

We ask that parents fully read and understand the rules set in place and take note that **EVERYONE MUST FOLLOW THE RULES** in order to keep the children, parents, and staff at the facility safe during the COVID-19 Pandemic.

SPECTATOR SEATING at the Legends Arena is limited to 30 spectators.

Failure to follow these rules will result in the spectator seating being closed.

WOSC also reminds the club members that we are volunteers and that verbal abuse or harassment will not be tolerated in any manner.

LEGENDS CENTRE ARENA

This document is outlining how the Legends Centre is implementing measures to prevent the transmission of COVID-19. The health and safety of guests and staff at the Legends Centre Arena remains our top priority. The Legends Centre Arena is aligning with provincial guidelines as well as national sporting body protocols for facility operations. All user groups operating in the Legends Centre Arena must comply with the following protocol. Groups and participants found not following these protocols may be asked to leave.

COVID-19 droplet transmission is much more likely when individuals are in close contact. The likelihood of transmission between individuals participating in sport, physical activity and recreation in an indoor setting is significantly higher.

GENERAL GUIDELINES

- Stay home if you are sick. Those showing symptoms of COVID-19 are advised to contact the Saskatchewan Healthline at 811 for further guidance. **Masks are mandatory** for everyone, except when participating in the activity.

PROCEDURE FOR ENTERING THE BUILDING

- **Arrive at the facility no more than 30 minutes before your scheduled time.** Those arriving earlier will be asked to wait outside until 30 minutes before the scheduled start time.
- **Warman Osler Skating Club requires all patrons entering the facility to use hand sanitizer, and sign in using the QR code on the 2nd floor table prior to entering the arena. This will allow WOSC proper contract tracing, monitoring, and screening of all patrons upon arrival at the facility.**
- **We encourage skaters to come dressed** but dressing rooms will be open and assigned to each group.
- Groups are NOT to line up at the gates awaiting their ice time.
- **Attendees must vacate the facility with 15 minutes after their assigned ice time** to allow staff time to disinfect the space prior to the next group.
- **Drinking Fountains are NOT available**, but bottle filling stations are available.
- Coaches and PA's working the score clock and sound booth will be required to sanitize their hands before and after use. The sound booth will be available by pre-request ONLY.
- Coaches or group staff are required to disinfect player benches after each use for extended use rental; disinfectant spray and towels will be provided.

SPECTATORS

- Ice surface spectator seating will be permitted, and spectators must not total more than the maximum gathering limits per the public health order per team at each game/activity and must ensure physical distancing between non-household members. **Only 30 spectators are permitted in the arena.**
- **WOSC still requests minimal spectators** attend events and remind parents and caregivers that children must be with them at all times. **Children are not allowed to run around.**
- Spectators must maintain distancing of at least two meters from other members of the public.
- Spitting (includes seeds, tobacco, and fluids) and other similar activities increase the risk of transmission of COVID-19 and are not permitted.
- Individuals must not share personal items (i.e. equipment or beverage containers).
- Congratulatory gestures such as high fives and handshakes are not permitted. Spectators, participants and players, staff, coaches, and volunteers should try to minimize cheering and whistling as much as possible to control the spread of COVID-19.

Thank you for your patience and understanding!

WOSC Executive
